West Virginia Academy of Science, Inc.

The West Virginia Academy of Science was founded at Morgantown, November 28, 1924. The Academy was incorporated under the Code of West Virginia on May 9, 1959 as "a nonstock corporation, which is not organized for profit but for the advancement of learning and scientific knowledge."

Officers

1978-79

President Karl D. Fezer, Concord
President-Elect John R. Warner, Jr., Buckhannon
Past President Edward S. Hanrahan, Huntington
Treasurer Thomas K. Pauley, Salem
Assistant Treasurer John R. Warner, Buckhannon
Archivist Arthur S. Pavlovic, Morgantown
Secretaries Elizabeth Bartholomew, Morgantown
Violet Philipps, Montgomery

Proceedings Editors:

Managing E. C. Keller, Jr., Morgantown
Publications Henry Hurlbutt, Morgantown
Talent Search Chairman Robert Urban, Elkins
Chairman of West Virginia
Junior Academy of Science . . . Zeke Wolfe, Buckhannon
Chairman of Annual Meeting
at Athens Carl J. Chapman

**INDEX OF THE PROCEEDINGS OF
THE WEST VIRGINIA ACADEMY OF SCIENCE
1924 TO 1974**

This index is based upon publications of the West Virginia Academy of Science during the first half century of its existence, from 1924 to 1974. The production of the index was authorized at the regular meeting of the Academy at Bethany, WV in 1976.

We are indebted to Miss Arden Miller, a student at West Virginia University, for the major preparation of the index. Further, we acknowledge the assistance of Dr. Earl Core and the Biology Department of West Virginia University and especially the work of Mrs. Carole Bernard for typing. The index was proofed and corrected by Drs. Clarkson and Keller, and Elizabeth Bartholomew, Christina Jacob, Rebecca Keefer, and Kevin Lewis.

The structure of the index is a listing of the publications alphabetically by the last names of both the first and second authors.

Much of the work on the index was done on a volunteer basis for which we are very appreciative.

E. C. Keller, Jr., Editor
August, 1989

VOLUME NUMBERS AND YEARS PUBLISHED
